South Tongass Highway Rehabilitation Project: Open House Invitation

State Project #67571/67685; Federal Project # 0902031/0902039

Please join DOT&PF at an Open House to submit comments on a potential Right-of-Way (ROW) permanent easement in the area of Saxman Totem Park. This easement will be used for slope stabilization, temporary construction easements for side slope stability, and to connect the S. Tongass Highway to existing drives around Totem Park.

DOT&PF has minimized right-of-way effects on Saxman Totem Park:

- Construction location shifted to minimize use of ROW to essential areas
- Design matched existing grades and features as much as possible to avoid Totem Park
- Impacts removed from totem areas

Public Meeting

- Thursday, August 18, 2022, 5-7 p.m.
- Saxman Community Center (Gymnasium)
- 2841 South Tongass Highway, Ketchikan, Alaska 99901
